

AIM Church

Coronavirus Response

www.aimchurch.org

Dear Appleton Neighbour,

As you are aware the Coronavirus (COVID-19) has spread across the world and in time our own community may well be affected. As your local Church we understand how this can make people fearful and in need of practical help. We would like to help you!

If you are worried, unwell or are self isolating and need help we would like you to let us know.

We can keep in touch with you and offer a friendly voice on the end of a phone. If you are self isolating and need urgent shopping or medicine, we can help by collecting it for you. If you would like prayer and reassurance we can keep in contact with you.

As your Church in your community we want to serve you. Please let us know if we can.

Peter (Minister)

Dear AIM Church,

I would like you to: Keep in touch with me Pray for me

I need help with medicine or shopping collection
